

# Meter Install Request Form

This form is to be completed by customer when requesting installation of a new water meter in the Reddell-Vidrine Water District service area.

1. Water distribution crew needs a **FLAG** (given to you at time of request) placed to:

- a. Show location where customer prefers the meter box to be set.
- b. Mark the finished grade on the stake.

2. Please be informed that:

- a. We install water meter taps and meter sets in the order received.
- b. Meter sets that require road crossing will need a road bore. The road bore has to be scheduled with a boring contractor. We have no control or time frame when they will come.
- c. Allow up to ten business days for your requested water meter inspection to be addressed.

**Check:** \_\_\_ House \_\_\_ Mobile Home \_\_\_ Apartment \_\_\_ Irrigation \_\_\_ Commercial \_\_\_ Fire
